### **WORK EXPERIENCE**

---

#### **Integrated Resources Institute**

*Co-Director of Community Integration and Employment*

Los Angeles, CA

*Dec 2017- Current*

- Expand Integrated Resources Institute services to the greater Los Angeles area.
- Develop grant opportunities to help educate individuals with disabilities and their families on the importance of employment.
- Grow organizational marketing and fundraising capacity.

#### **ETTA**

*Assistant Director of Operations*

Los Angeles, CA

*Oct 2015-Dec 2017*

- Assist in future program development and implementation.
- Create “Transitions” fee for service program. Work directly with disabled adults and their families through transitional periods in their life. Assist in person centered planning, selecting appropriate services, and advocacy.
- Develop business relations with community members, businesses, colleges and other non-profit organizations.
- Run operations of Supported Living Services program.

#### **Integrated Resources Institute**

*Regional Manager/Consultant*

Irvine, CA

*July 2013-Dec 2017*

- Support adults with disabilities to find gainful employment opportunities within their community that matches their skills, interests and talents.
- Provide training to employment coaches so they can be effective in their roles. Training includes: PBIS, task analysis, job development, and reflective practices.
- Develop systems to ensure accuracy in billing and payroll, staffing ratios, and employee supervision.
- Ensure client’s schedules are employment focused and reflect a meaningful day.
- Develop great relationships with community members, businesses, colleges and other non-profit organizations.
- Presented at the Cal-TASH Conference 2014 on the history of IRI and meaningfulness of employment focused day program.

**Jay Nolan Community Services**  
*Community Support Supervisor*

Mission Hills, CA  
Oct 2008-Oct 2015

- Train employees to support adults with disabilities to live independently.
- Create individual service plans and templates for clients and colleagues to utilize. Conduct assessments and budget analysis for incoming clients. Negotiate rates. Provide in house database system trainings for colleagues.
- Locate generic resources that increase the quality of life for the people we support.
- Developed Advocacy Gatherings for individual we support and systematically faded my support so that Advocacy Gatherings were run by the individuals, independent of service staff and providers.
- Advocating for people and aiding them in the following ways: finding employment, volunteer and social opportunities; representing them at Social Security and court hearings; supporting them to properly document and report information to government agencies; and aiding them in finding quality health care professionals.

**Jay Nolan Community Services**  
*Assistant to Director*

Mission Hills, CA  
Mar 2007-Oct 2008

- Assisted the Director of Day Services in meeting outcomes of current strategic plan.
- Recognized by the Commission on Accreditation of Rehabilitation Facilities for providing thorough records and documentation of agency operations.
- Organized 2 conferences and 15 trainings.
- Developed forms and spreadsheets to better structure programs and create liability.

---
